

# Oats and Muesli

- *Naturally Delicious*
- *Truly Sustaining*
- *Whole Grain Goodness*

The Anchor range of oats and muesli products are proudly and exclusively distributed by Goodman Fielder, to the Commercial, Food Service and Bakery markets. Together, we combine an iconic brand, with the knowledge and experience of dedicated Marketing and Business Development teams.

### Anchor Oats and Muesli

- Anchor is a trusted brand, offering comforting and tasty solutions for your menu.
- Anchor Oats and Muesli are versatile and may be used in many applications as a reliable and consistent ingredient in the manufacturing of quality products such as: muesli bars, breads, cookies, muffins, desserts and as a breakfast or snack item on your menu.

### Anchor Packaging

The Anchor range of products comes in contemporary yet practical packaging designs.

- **Bulk Packs:** colour coded and clearly labelled for easy identification.
- **1kg Packs:** modern packaging, with the product visible through 'windows'.
- **Portion Control Packs:** individual 40g packs, offer accurate portion and cost control whilst reducing waste.

1kg Pack

PCP 40g

Bulk Pack

### Groats

- The whole oat, cleaned, cut and the hull removed, which keeps the oat's outer bran layer intact.

#### Application Ideas

- Perfect for the manufacture of grain breads.

### Rolled Oats

- From the whole groat, the product is rolled to produce rolled oats.
- The product may be rolled to varying sizes.

#### Application Ideas

- Great for manufacturing of commercial breakfast bars and signature muesli.

### Quick Cook Oats

- Derived from the hulled oats, which have been cut, steamed and rolled.
- Smaller in thickness than rolled oats, resulting in a reduced cook time.

#### Application Ideas

- Delicious in porridge, cookies, muffins or desserts. Makes a great topping for bread.

### Instant Porridge Oats

- Hulled oats, cut, steamed and rolled into finer particle sizes, reducing cook time.
- Available in bulk packs or individual portion control packs.

#### Application Ideas

- Ideal for use in the Hospitality market.

### Natural Style Muesli

- A blend of oats, sultanas, currants, apple, apricot and pear to create delicious natural style muesli.
- Popular choice for a healthier breakfast or snack option.
- High in fruit content.
- Available in bulk and portion control packs.

#### Application Ideas

- Simply serve with fresh milk for a delicious breakfast, or for something special try with natural or Greek style yoghurt.

### Toasted Muesli

- A delicious toasted muesli with oats, apple, coconut and honey.
- Available in bulk and portion control packs.

#### Application Ideas

- Delicious served with fresh milk. Perfect when mixed with natural or Greek style yoghurt.
