PROFRY

Premium Performance Deep Frying Oil

Pourable at room temperature*

Straight from drum to fryer to save time, labour and cost.

*Pourable above 25°C

Longer lasting

Profry delivers premium performance long after inferior oils have given up.

Works harder for you

Beautiful golden finish

Food fried in Profry looks as good as it tastes. Perfection!

Natural flavour palate pleaser

Profry produces terrific tasting, crunchy golden food. Customers will keep clamouring for more!

What a pack!

Tamper-evident seal. Easy to use lever locking lid. Simply reseal to lock in goodness, minimise oxidation and contamination.
